What can your classroom parents do to help you the most? \_\_\_\_\_

# These are a few of the Teachers' favorite things

This form is provided by our school for Teachers to complete and add to their websites. We often have parents who want to treat teachers with a small gift of thanks and this form is a way to do that easily. While these gifts are appreciated, the best gift a parent can give is a supportive partnership in their child's education. We thank YOU for that!

Name: Laurel Gibson
