## WHAT IS SCRIP?

Scrip gift cards are the same gift cards you can purchase from the retailer. With over 300 of the country's biggest brands, including grocery and department stores, gas stations, restaurants, hotels and home improvement.

Our school orders scrip from GLSC at a discount, and your family pays face value for the gift cards. That difference is an instant rebate for our school, and you don't have to purchase anything you don't need.

By simply planning ahead on everyday purchases, the average family can earn at least \$11 a week. 50% of what you earn for our school goes toward your tuition. That modest number adds up quickly.

The more families participating, the bigger the earnings for our school.

## Top Five Family Benefits

1. Plan ahead to buy groceries, gas and other household expenses with gift cards from scrip.
2. Use gift cards to pay at checkout, just like they would use a credit/debit card, but without the fraud risk.
3. Scrip program earnings are much greater than credit card rewards.
4. A part of the earnings a member generates goes towards their tuition.
5. No unnecessary spending, families spend their planned household budget at stores they already frequent.
